Entertainment is a form of  
activity that holds the  
attention and interest of an  
audience, or gives pleasure  
and delight. It can be an  
idea or a task, but is more  
likely to be one of the  
activities or events that  
have developed over  
thousands of years  
specifically for the purpose  
of keeping an audience's  
attention. Although people's

attention is ...
